Celebrate the holidays with the Aquarium of the Pacific's animals on December 5-6 as they receive special "fish-mas" treats. See Aquarium staff present delicacies to our seals, sea lions and sea otters. Meet and greet our penguins up close. See Santa Diver in action, and take photos with Santa in his traditional attire. Enjoy Hanukkah storytelling and dreidel activities. Watch it "snow" in the Great Hall and experience a real snow play area outside (weather dependent). Enjoy holiday music, crafts, holiday costumed characters, a gingerbread house display, and buy unique holiday gifts. The Aquarium Holidays celebration will continue through December 24 with snow falls in the Great Hall, Santa Diver, and character appearances daily and music, penguin walks, visits from Santa, and the snow play area on weekends.
